

# Georgia Jaycees Rebel Corps Dispatch

## A Word from Commander Ron Cowart

Hi Fellow Colonels and Past Commanders,

I truly hope everyone is having a good summer so far. It seems to be flying by for me; I guess I am having fun.

There was a fun time in Northbrook, Illinois at the Corps of Corps meeting. Our very own Ray Baskette did a great job conducting the meeting. We had one honorary induction, Mike Lynch from South Carolina. Georgia was second largest in attendance of colonels with nine.

Looking forward to our next meeting as we will be having our nominations meeting on July 21-23. As you should have heard, we will meet with the Georgia Jaycees at their mid-year meeting. This meeting will be held in Swainsboro, GA at The Flat Creek Lodge. We will be having our meeting on Saturday morning so that we can join the Jaycees for lunch. There will be a guest speaker, whom I think everyone will enjoy. We are also invited and encouraged to join the Jaycees in their activities at the lake on Saturday afternoon where there will be lots of fun and games for everyone. There will also be a pig pulling with the trimmings for dinner that is included in the registration. I would like to ask that everyone please register and partake in all of the activities. I have been in contact with the chairperson who is taking care of all of the accommodations, so if you have any questions or concerns, please let me know. There is an agenda for the weekend in this copy of the dispatch to let you know how the weekend will be laid out.

I have been in several conversations with our State Jaycee President, Jordan Chinouth, throughout the past few months as we have been working on building a relationship back with them. As we know, we have been an asset to them as an honorary organization in the past and they are the umbilical cord that keeps our organization alive. In his letter found later in this publication, you will see a note that Jordan has written asking for us to consider some things so that we can continue to work together as we have in the past. In an effort to be transparent to all, he has asked that we have a town hall meeting in Swainsboro on Friday afternoon. This meeting will be at 5 o'clock pm. I'm looking forward to seeing you there to discuss everyone's concerns. There are also two options for possible logos that they have proposed that we consider, please take a look to see if you like either of these.

We will be calling a meeting later this year hopefully in the fall for our elections meeting. As of now we have a couple of things in mind but nothing definite yet. As soon as we get it planned we will let everyone know asap. This is also where we will address the request by President Jordan.

Please allow me to say again, thank you for letting me serve as your Commander. As I do serve you with pride an honor.

Georgia Jaycees Rebel Corps Commander  
Ron Cowart #2330

## History of the Rebel Corps

This organization we know as the Georgia Jaycee Rebel Corps had its founding moments back in 1956. At this time there was a small group of past state Jaycee officers (“has beens”) that would always gather together at each board meeting and state convention, since they never missed one, to reminisce and socialize. These Jaycees decided to give their group the title “**ROYAL ORDER OF KNIGHTS REMINISCENT**”. They even designed a business card, which showed a fist held in a horizontal position with the forefinger extended and pointing down at a crooked angle.

This group’s only functions were to socialize, reminisce, and play politics. Their “meetings” would generally end up as all night discussions. At their height, the Royal Order of Knight Reminiscent had about 15 members.

State President Abit Massey, 1956-57, and James Fullin, while coming back from a visitation to the Canton Jaycees, began discussing the idea of an organization to recognize and honor outstanding Jaycees from the local chapters.

The 2nd Trimester Meeting in Swainsboro, Ga. on July 21, 22, 23 we will be putting on the Silent Auction and if anybody needs for me to pick up their donations they need to call me @ 478-396-1596. Here are some of the items that make great auction items:

---

### SILENT AUCTION ITEMS NEEDED:

---

We will be holding a silent auction in Swainsboro at the 2nd Trimester Meeting. The only way to make this a success is you! We need donations of any kind. What sells well you ask?

- Jaycee Memorabilia
- College Gear
- Pictures
- Clothing in great shape
- Electronics
- Baskets filled with goodies
- Food items
- Hotel Stays
- Jewelry
- Furniture you are throwing out
- PLEASE NO JUNK— just anything you think would help raise some funds for the Corps!

WE ALSO NEED YOU TO SHOW UP TO BID! The donations do us no good if we have no one to purchase them.

Thank you,  
Thomas Michael

## Inactive Vice-Commander—Kellie Jett

Hello Corps-

One of the best things we can do as an organization is to continue to grow so we have future leaders and members to keep the organization going. As Inactive I have had the great pleasure of assisting with that. Later in this Dispatch you will see how you as a Colonel can help. There is an application as well as all the requirements and steps to make that happen. At any time if you are not sure please feel free to call or email me. My number is 404-915-5318 and email is [kelliejsmile@yahoo.com](mailto:kelliejsmile@yahoo.com). I will say email is quickest for me and my schedule but feel free to leave a message and I will call back as soon as possible.

It is also my pleasure to announce that we had 3 Colonels go in at our meeting in Jekyll. Thanks to help from Mike Carter and all the wonderful Warner Robins Jaycees we had the following Colonels Inducted:

2498—Danny Meadows  
2499—Don Strozier  
2500—Bobby Brantley

Welcome to the oldest but more importantly greatest honorary organization around!

Mike and his gang are doing what it takes to get more leaders in the organization. They can't do it alone. Please go back through your contacts and Jaycees memories and think of folks that would make great Colonels. If you are not sure how to make it happen, let me know. We will make it happen. I will need applications no later than Thursday, July 20<sup>th</sup> in order for them to be sworn in at Swainsboro.

Have a great summer and see you in Swainsboro!

Kellie Jett  
Colonel #2316  
Senator #67541

### History concluded

As State President Abit determined that the Royal Order of Knights Reminiscent had become too political and met with them to discuss the total abandonment of this "social" group. He explained the idea he and James Pullin had and the Knights agreed to disband.

During the Jaycee year of 1957-58, much discussion was held concerning this new group to be formed. Who were to be the charter members, what policies and by-laws would govern this group, when and where would they meet? Abit Massey is credited with being the founding father and giving this organization the name **REBEL CORPS**.

The Georgia Jaycee Rebel Corps was officially founded at the State Convention on May 17, 1958 at St. Simons Island. The first officers were: Abit Massey, Commander; Richard Thornton & Peter Rhyne, Vice-Commanders; Phil Dohn, Adjutant; and Jack McGinty, Treasurer. Richard Thornton served as our second Commander and co-planner of the Rebel Corps, James Pullin was our third Commander.

## Past Commander Sherri Carmack

Fellow Colonels,

Those of you are looking to run for offices of the Georgia Jaycee Rebel Corps must submit your letters of intent on July 1st 2017. Do not sent them prior to or they will not be accepted.

The Commander must have served or is serving as either the Treasurer and Adjutant either in the Active or In Active Vice Commander.

The Vice Commanders must have served or is serving as either the Treasurer or Adjutant.

The Adjutant must have served or is serving in at least one appointed office in the Georgia Jaycee Auxiliaries. Expertise with newsletters and/or web design is desirable.

The Treasurer must have or is serving in appointed office in the Rebel Corps or another the Georgia Jaycee Auxiliaries and must have experience as a Treasurer.

In the event that no candidate announces and has the appropriate experience, a panel of the past the Immediate Past Commander is the only authority that can waive the minimum requirements of office.

Good Luck,

God Bless America & The Rebel Corps  
Immediate Past Commander,  
Sherri D. Carmack

# Commander Candidate—Kellie Jett

Corps Family-

It is with great honor, humbleness and respect of the Corps that I announce to you my intent to run and ask for your vote but most importantly your support for the office of the Commander of the Rebel Corps for 2018!

This is a decision that I haven't taken lightly. Ever since Commander Trey Carmack swore me in 20 years ago I have **DREAM**ed of one day becoming Commander. Now is the time!

I have many ideas that I would like to share with you one on one sometime and far too many to list in this email but here are some of the highlights-

- We are not only the first Corps but the best and will continue to prove why we are the best. Going into our 60th year we will do what we need to impact not only our own lives but the lives around us. That could be helping local Jaycee chapters, other Corps around the Nation or assisting organizations in our communities and surrounding areas. **WE BELIEVE!**

- I would like us to **PLAN** ahead as much as possible. The greatest tool a chapter or organization can have besides a dream is a plan. I would like to plan socials, fundraisers, meetings and whatever the body would like as far in advance as possible. This will help make sure we avoid any unnecessary conflicts with Senate and other functions as well as make sure we are a financially stable organization. If we don't have the money coming in we can't have it going out. This doesn't mean that we expect everyone at everything but certainly would like to plan to offer things and have a logical plan so Colonels know what is happening. After all the best way to get people involved and to retain members is to give them something to do.

- I would like us to **DO** more! That means working with Camp Dream and other organizations in our communities around the state. Most of us have stuck with the Jaycee organization because of the impact we have made in the lives of others as well as in our own lives. After all **SERVICE TO HUMMANTY IS THE BEST WORK OF LIFE!** Together we can come up with ways to service our communities and make an even bigger impact.

There is so much that I could go on and on about but I think my 25 years serving the Jaycees and 20 years as a Colonel speaks for itself. Failure or letting this great organization down is not an option. As Commander I will do what is best for the organization and at the same time help build leaders within our organization and in the Corps. Sustainability does not just happen, it takes a dream and a plan to do! Together we can dream big dreams, plan to do what is necessary and do what it takes to impact our communities and our lives! **DREAM! PLAN! DO!**

I would love to talk to everyone more in Swainsboro. So come out and see how you can become part of the Dream Team!

Thank you for your dedication to the Corps and for your time.

Kellie Jett

Dear Distinguished Members of the Georgia Jaycees Rebel Corps,

I hope this letter finds you well, and you are having a great summer. Our active chapters are very much looking forward to spending time with you in Swainsboro at our mid-year convention.

Our executive board has been in place for 6 months now, and I wanted to provide you with a brief update as to where we stand in regards to accomplishments this year.

First, we had a very successful and well-attended state convention in January. Many of you were there, and your attendance was appreciated. We incorporated some national training at the convention due to the request of some of our local chapters. We also volunteered at a camp for veterans and spent time visiting with them at the Georgia War Memorial Home. Danielle Fields, State Vice President of Membership, spearheaded the convention and did a great job.

We also accomplished a good deal of business at the convention. Most notably, we were able to review and update our bylaws to bring them up to date with advancements in technology.

After the convention, the state board embarked on a listening tour across the state. We were able to visit most of our chapters to hear about the great things they are doing in their communities and further understand what the state can do to help them.

From the listening tour, we launched a membership drive which netted 25 new members. We also held a membership webinar with the National Vice President of Membership as our guest.

We have also been working to start 3 new chapters. I believe we will accomplish this by the end of the year as we have 2 that are already in the works.

If our team fulfills our goal, at the end of the year we will begin 3 new chapters, recruit 45 new members, and raise about 15,000 dollars for our operations for the next few years. I believe we will accomplish all these things.

In addition, we have selected a statewide charity that we will be raising money for this year. We are going to walk across the State of Georgia from Dahlonega to Savannah to raise money and awareness for human trafficking. The walk will take place this fall, and we will provide more details as they come about. Additionally, we are asking local chapters to walk on behalf of and raise money for Camp Dream. This will coincide with the state walk for human trafficking. The state will be matching up to 7,000 dollars raised by local chapters to go toward Camp Dream.

We have many great things going on and it's a good time to be a Georgia Jaycee.

We want to make sure the values of giving back to community and fellowship with fellow Jaycees continues on with our members after they age out. This is why I believe that it is best if our organizations work together.

It is our opinion as active Jaycees, that directing people to your organization for application to membership is problematic. Its problematic for only one reason, the name of your organization.

We live in a world that is changing. Words and symbolism matters now more than it ever has. We appreciate your organization's effort to remove the battle flag from your logo. It is our belief that this needs to be taken a step further. We are respectfully asking that you change the name of the Georgia Jaycees Rebel Corps.

We do not make this request lightly as we realize that this organization was started 58 years ago and has over 2,000 inductees. We make this request because we want to see the organization last another 58 years and induct another 2,000 members. It is our fear, if the name remains the same, membership applications from our actives will continue to decline.

I would like to invite you to a town hall meeting that Ron Cowart and I will co-host on Friday of mid-year convention in Swainsboro to answer any and all questions you have about this. I would appreciate if your membership would put a name change to a vote on the Sunday of mid-year convention.

To make this transition as smooth as possible, we have taken the opportunity to draft an idea name and brand for you. It is attached to this email. The brand incorporates some of the Rebel Corps history, acknowledges that Georgia was the first corps to be established, and has a powerful name. It is our hope that you like it.

When the Rebel Corps changes the name of the organization, it will then be possible for the Georgia Jaycees to be able to include your organization in our public communications, advertisements, etc. Additionally, we would then begin the process of encouraging our long standing members to apply for the honor of induction into your organization.

I appreciate your many years of service to the Jaycees and for taking the time to read this email. I look forward to seeing you in Swainsboro and discussing this topic more in depth.

Fellow Colonels, Jaycees, Senators, former Jaycettes and all those connected. My name is John David Miles. I was very fortunate to join the Metter Jaycees in 1971. The Metter Jaycees had a great run in community involvement.

I was so blessed to have the opportunity to serve as State President of the Georgia Jaycees in 1979-1980. What a great experience! What amazing and lifelong friends I made, traveling and connecting with over 200 Jaycee chapters in Georgia. Life was good...still is.

I started my business career on April 1<sup>st</sup> (Fool's Day) in 1971 and am still at the same job today, selling cars 46 years and no thoughts of retiring.

I am very involved in my church, Register (GA) Baptist Church. And, yes, we are a small church, but we are growing. Our youth program is outstanding.

We are in a building program. What I am doing is pledging 100% of my entire profit for this year, 2017, to our building fund. That is correct. All of the money I make this year will go to the fund to expand our facility.

So, if you want to buy a car this year, give me a call. I will get you what you want, at the price you want and all of the profit goes to God. After all, "We believe that faith in God gives meaning and purpose to human life."

Now, I will accept on behalf of the church any donation you would like to make. "I believe that service to humanity is the best work of life." Thank you all for a wonderful life.

in Jaycees

## **WE BELIEVE:**

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.
