Incoming Commanders Comments – Andrea Perry

Thank you for allowing me to be your 61<sup>st</sup> Commander of the Georgia Jaycee Honor Corps. Our staff maybe small but I feel we are destined for big things. I look forward to working with my staff, all of you and the Georgia Jaycees to grow our organization. Kellie, her staff and past commanders have laid the foundation and ground work to reconnect with the Georgia Jaycees and I want to thank everyone who has had a hand in that. I plan on continuing that ground work and I need everyone's help to keep it going forward. I believe that we are a family that enjoys our time together and with your help we can accomplish anything together, including growing our family. I hope to grow membership by getting out to Chapter Visitations and by working with Jaycee chapters side by side. We have our annual fundraisers and some great ideas to bring money in, such as a beach house raffle for a week. So please let me know if you have any ideas to help my staff and I grow our organization to have members to keep us around for years to come.
